

## Wood Deck Brightener

1 Gallon (3.78 L)

### DESCRIPTION:

Powersolve Wood Brightener is a liquid concentrate that when mixed with water will brighten and restore the natural beauty of exterior wood. Powersolve Wood Brightener is essential after using Powersolve Deck Stripper. It neutralizes and changes the pH balance of the wood to its natural state.

### PREPARATION:

Powersolve Deck Brightener may harm bare metal or painted surfaces. Pre-wet vegetation. Direct exposure may burn foliage but rinsing residue will not harm plants or roots.

### APPLICATION PROCEDURES:

Apply Immediately after using Deck Stripper or Cleaners. Use heavy duty rubber gloves. **Gallon Container:** Mix with water at 1:2 ratio. Apply with pump sprayer or with a bucket and scrub brush.

### Wait:

Most applications will require a waiting period of approximately 5 to 15 minutes. Rinse when done.

### PRECAUTIONS:

Danger: Keep out of the reach of children. Prolonged contact may cause burns. Avoid ingestion or contact with skin or eyes. Wear rubber gloves and goggles or safety glasses with side shields. Project surfaces are extremely slippery.

### DISPOSAL:

Dispose remaining product in accordance with applicable environmental regulations. Neutralize with Powersolve Deck Stripper.

### FIRST AID:

**Eyes:** This product is destructive to eye tissues on contact. Immediately flush eyes with large amounts of water for at least 15 minutes. SEEK MEDICAL ATTENTION IMMEDIATELY!

**Skin:** Immediately wash skin with large amounts of water. Remove contaminated clothing and shoes; wash before reuse. Get medical attention if irritation persists after washing.

### HINTS:

Powersolve Deck Brightener will brighten most species of wood. You should see an almost immediate result. A light rinse is suggested to remove any visible soap residue.

Avoid any contact with aluminum or fiberglass siding or trim. A reaction may occur.
